

All current Solicitations, Requests For Proposal (RFP's), Invitations To Bid (ITB's), Tabulations and Awards, are posted on Demandstar.com.

Demandstar also maintains a vendor list categorized by commodity codes for the specific materials and services offered by vendors. Businesses who subscribe to the vendor list are notified by fax, or email whenever a formal sealed bid has been issued by the City, as well as other organizations, for the commodity/service that they provide. <http://www.demandstar.com>
