

## **Bulk Trash Collection**

**All bulk trash in the City of Oakland Park is collected on a once-a-month basis (please refer to the bulk trash collection map to identify when bulk trash is collected in your area.) All bulk trash collected in the City of Oakland Park is recycled.**

**The following bulk trash collection rules and guidelines are provided:**

- 1. All bulk trash items are to be placed at the curb for collection no earlier than the Saturday prior to your scheduled collection week, which begins on Monday of each month.**
- 2. All bulk items, including items such as furniture, carpeting, tree trimming, electronics, and appliances must be placed curbside in a neat and orderly manner no later than 7:00 a.m. on the Monday of the collection week for your area. Collection may occur later than the first day, but no later than the 5th day of the designated collection week.**
- 3. All loose items, such as leaves, small twigs, grass clippings, etc. must be containerized or bagged, tied securely and must not exceed fifty (50) pounds each. If placed in containers for collection, the containers will be collected as bulk trash.**
- 4. Tree trimmings and branches shall not exceed eight (8) feet in length, or eight (8) inches in diameter.**
- 5. Broken and unbroken glass shall be wrapped in newspaper and placed in secure weatherproof containers for collection.**

- 6. White goods (appliances), large metal items and electronics will be collected at the same time bulk trash is collected. Doors must be removed from appliances and valves must be removed from propane tanks.**
- 7. The City will not collect bio-hazardous waste or household hazardous waste (paints, gas, oil, insecticides, pesticides and other chemicals).**
- 8. The City will not collect construction or demolition debris, tree stumps, auto or marine parts, sand, dirt, rocks, sod or bags exceeding fifty (50) pounds, without an additional charge.**
- 9. Bulk trash shall be placed at least four (4) feet from City-provided refuse carts, fences, poles, fire hydrants, recycling bins and parked cars.**
- 10. Bulk trash is not to be placed under low hanging trees or overhead wires.**
- 11. Bulk trash must be generated by the customer at the residence where the bulk trash is collected and shall not be collected, without an additional charge, if the bulk trash is generated by other than the resident.**
- 12. Bulk trash left in front of vacant land or vacant homes will not be collected and will be subject to code enforcement action and additional charges.**
- 13. Owner-occupied condominiums must place their collective bulk trash in one location located on common property. The common collection location will be determined by the City and condominium association.**
